

ROBOTICS FOR INSPECTION
AND MAINTENANCE

RIMA PROJECTS PITCHING EVENT

September 26, 2022 | 14:30 – 17:00
RAI Amsterdam

ORGANIZED BY:

UNIVERSITY
OF TWENTE.

On the **Monday 26th afternoon**, RIMA and SPRINT Robotics are partnering with TNO and University of Twente to bring you a RIMA Projects Pitching Event.

The RIMA Project Pitching Event gives an opportunity for the SMEs funded by RIMA in the Open Calls to pitch their solutions in front of an end user and VC panel. The SMEs will be able to receive feedback from industry experts, the end users and VCs will get a front row seat to the latest I&M robotic developments in Europe.

Please click [here](#) to register for this event.

RIMA Project Domains | I&M Robotics within the following sectors:

OIL & GAS

NUCLEAR

WATER

ENERGY

TRANSPORT INFRASTRUCTURE

September 27 & 28, the **SPRINT Robotics World Conference for Inspection & Maintenance Robotics** is coming to Amsterdam – RAI. Throughout the span of the four-year RIMA project, SPRINT Robotics has partnered with RIMA, functioning as the central coordinator and main entry point of the RIMA Network Community. The SPRINT Robotics World Conference is an industry-specific event that brings together the global I&M Robotics community. Take a look at the two-day program and register here: conference.sprintrobotics.org

*RIMA members, DIHs and SMEs can avail different discounts on Conference and Exhibition Passes. Please log in to the [RIMA Network community](#) or contact [Rima Info](#) for further information.
